- Mr. Ron Gordon, Director, Office of Crime Victim Reparations

4. Draft Legislation - "Parole Amendments"

This bill requires that before an inmate may be granted parole, the inmate must agree that the Board of Pardons may issue a parole revocation warrant for the inmate if the inmate provided false information at the parole hearing or had committed an offense that the board was not aware of when it granted parole.

- Representative Curtis Oda

5. Draft Legislation - "Controlled Substances and Paraphernalia"

This bill would specify that a plea in abeyance regarding a controlled substance offense is considered to be a conviction. The bill also clarifies that references to ingesting or inhaling controlled substances refers to all controlled substances, and that a charge for a controlled substance or paraphernalia offense does not prohibit charging for other violations regarding controlled substances or paraphernalia.

- Representative Curtis Oda

6. Draft Legislation - "Disclosure of Identity to Officer"

This bill creates the class C misdemeanor offense of failure to disclose a person's identity to a peace officer under certain circumstances, including if the officer has a reasonable suspicion that the person has committed a criminal offense. The bill also allows an officer to arrest a person for failure to disclose identity as required in this bill.

- Representative Curtis Oda
